

Amadeus Sign Code Site

Amadeus Sign Code Site is a new tool developed by Amadeus to help Travel Agents Manage their own Agent Signs.

How to login to Amadeus sign code site?

1. Open a new page in your web browser (e.g: Internet Explorer, Google chrome etc...) and open the following link:

www.amadeus-signcode.com

2. Log in using the username and password submitted to you by Amadeus.

...best when it is new and you don't share it with others!

Use a valid username and password to gain access to your Sign Code.

3. Enter the 14 Digits of your personal Id number and Change the password after first time log-in. Fill in all your personal information. Check the terms and conditions then click the box.

ID Number Checker

Kindly enter the last 14 digits in your id number.

"You reached the maximum number of trials to enter your id number, please contact helpdesk for assistance."
